Extract of the letter (Confidential) No.4983/52-4(C) dated 10-11-1952 addressed to the Secretary to Government, Home Department, Madras. from the BD Pt - Revenue

Sub: Transfer - Land - S.Kanara Dt. - Mangalore town - Attavar village - S.No.280/1A1A3 to Police Department for construction of quarters - Objection of the Municipality - Report submitted.

M

6. (iv) A large extent of vacant land in the old rifle range (T.S.No.1554/2, measuring 10.18 acres) is no doubt available for building police lines, if necessary; but the District Superintendent of Police points out that, as the site is rather out of the way and at a considerable distance from the centre of the town, it is not suitable for the construction of police lines. I have seen the place and agree with him. The Principals of the Government Arts College and Government Training College, Mangalore, after inspecting this plot at my suggestion, have applied for reserving this land for their requirements and they have practically given up their claims to T.S.No.280/1A1A3. The question of constructing new buildings for these Educational institutions will arise only when the Government can find sufficient funds for the purpose. As things are, the prospect of Government being able to finance the construction of such buildings appears to be rather remote. The claims of the Educational institutions for the old rifle range ground can be considered in due course. The vacant space available in T.S.No.280/1A1A3 will not obviously be sufficient for the requirements of these institutions. It will be a good thing if as suggested by the Principal, Government Arts College, the entire College is shifted to the old rifle range ground in due course and that the existing College building is handed over to the Government Wenlock Hospital for their expanding needs. This however is a large question which has no immediate bearing on the present dispute.

Medical Department

From

Dr.M.V.Ramanamurti, MBBS., FRCS (Edin).,
Director of Medical Services, Madras-6.

To

The Secretary to Government, Health Department, Madras.

Ref.No.64712-W/53 dated 3-7-1953

36874.

Sir,

Sub: Buildings - Government Arts and Government Training Colleges, Mangalore - Shifting to Old Rifle Range Ground and Transfer of the College Buildings to the Government Women and Children Hospital

Ref: Government Memo.No.27339-2H2 Health dated 13-6-1953 -

I enclose for the information of the Government a copy of letter C.No.6255/53 dated 27-6-53 from the District Medical Officer, South Kanara on the above subject. I agree with the District Medical Officer.

Yours faithfully,

For Director of Medical Services.

ns.4.7.

Copy of letter C.No.6255/53 dated 27-6-53:

Ref: Your Ref.No.64712-W/53 dated 23-6-53:

The proposal to shift the Govt.Arts College, Mangalore to Urva and hand over the present College Buildings and compound to the Medical department is an excellent one. If the College buildings are made available the whole of the Lady Goschen Hospital could be completely shifted over so that the

15

8

-2-

the Head Quarters Hospital could be [illegible] in one complete Block. This would ease the present problems regarding (i) sending patients for X-Ray and other special departments (ii) accommodation of nurses (iii) Shortage of Medical Officers to do night duty etc. However this can be done only if the Education department has the finances to construct a new College buildings and Hostel at Urva for which a minimum of Rupees twenty lakhs will be required.

In this connection I append for your information a copy of letter C.No. 871/A-52 dated 23-12-52 from the Principal, Govt.Arts College, Mangalore.

Copy of letter C.No.871/A/52 dated 23-12-52:

Ref: Your letter C.No.8444/52 dated 20-12-52:

The proposal for transfer of this College from the present site to another suitable site at Urva was made on the understanding that the Medical Department wanted immediately additional space for expansion of the Government Hospital, Mangalore and that they would request for the transfer of the present premises of this College to the Govt.Hospital, Mangalore.

A [If our department is to move independently it will take about ten years or more. It is not my desire to move Govt. at this time of financial stringency and press for expenditure on capital works.

7. Alternative sites.

Regarding the construction of quarters for the remaining staff of 6 M.Cs. and 50 P.Cs. the followin sites have been examined for the purpose:

S.No.	T.S.No.	Extent.	Description.
1.	1554/2	10.18	Old Rifle Range in Uruva.
2.	243/1A1A4B	4.75	Railway A Class Land.
3.	243/1A1A3A	1.18	Govt. vacant land West of Fire station and near Railway 'A' class land.
4.	285/1A	1.72	Govt. vacant land transferred to the Police Dept. (opposite Post Office building under construction)
5.	280/1A1A4	0.40	Govt.vacant land held by Police Dept.
6.	-do-	0.60	-do-
7.	-do-	0.50	-do-

8. Item (1) above:
Old Rifle Range Land: This is no doubt available for building police lines if necessary but the D.S.P. points out that as the site is rather out of the way and at a considerable distance from the centre of the town and that it is not suitable for the construction of police lines,. The Dy.Bd. Member has agreed with him. The Principals of the Govt. Arts College and the Govt. Training College, Mangalore after inspecting this land at the instance of the Board Member have applied for reserving this land for their requirements as the vacant space available in the disputed land will not be sufficient for the requirements of these institutions and they have practically given up their claims to T.S.No.280/1A1A3. The Board Member has stated that it will be good thing if, as suggested by the Principals, the entire College is shifted to the old Rifle Range ground in due course and the existing College building is handed over to the Govt.Wenlock

Hospital for their expanding needs and this howeyer is a large question which has no immediate bearing on the present dispute, and that the claims of the Educational institutions for the old Rifle Range ground can be considered in due course. This is a question to be considered by Education and Health Departments and no immediate action is necessary in tnis Dept.

May be left out of consideration, so far as construction of Police quarters are concerned.

...
14-4-53.

xx xx xx

12. Thus the following are recommendations of the Board Member in respect of the disputed site in T.S.No.280/IAIA3 of the Attawar village:

xx xx xx

(2) The remaining vacant land in T.S. No.280/IAIA3 may be reserved for the construction of public buildings which will harmonise with the importance and surroundings of the locality.

xx xx

XX

In Connection with a proposal for allotment of certain sites in Mangalore among the Police & Education Depts. A Member of the Board of Revenue was deputed for inspection of the site and for offering his remarks in the matter. In that Connection, the Dpty stated that a large extent of vacant land in the old rifle range (T.S No1554/2 measuring 10.18 acres) is available, and that the principals of the Govt Arts College and the Govt training College, Mangalore have applied for their requirements and that the question of constructing new buildings for these educational institutions will arise only when the Govt find sufficient funds for the purpose. He has also stated that it would be a good thing if the entire College (Arts College) is shifted to the old rifle range ground in due course and that the existing College bldg is handed over to the Govt Wanlock Hospital for their expanding needs. The DMS was asked to offer remarks on the above suggestion of the Board Member. Please see the remarks of the DMS at p 7 c/f. The DMS agrees with the views of the DMO, South Kanara - vide pp 7-8 c/f for his remarks of the DMS

file on Home Dept

2. The principal of the College has reported that if the Education Deptt is to move independently, it will take 10 years or more and that he does not want to press for expenditure on capital works in view of the financial stringency. ~~He however seems to think~~ that if the Medical Deptt grants the College buildings they may initiate action in this regard. In the circumstances, the D.M.S may be asked to keep this matter in view and submit definite proposals if necessary in due course after consulting the D.P.I in the matter. Nor orders. Education, P.W & Home may see for remarks.

Vide

The proposal to shift Govt Arts College Nandanam to Guindy and to transfer the present College building and Compound to the Medical deptt for the Lady Goschen Hospl is agreed to by the D.M.S. But for the construction of new buildings at Guindy for the College a considerable amount of about Rs 20 lakhs will be required. In the present financial stringency it may not be possible to go in for this heavy expdr. The papers may therefore be recorded after perusal by Edn, P.W + Finance
